

Lynchburg Humane Society
Annual Fund Report
July 1, 2008 to June 30, 2009

The Lynchburg Humane Society is excited to announce that we raised more than \$94,000 through our Annual Fund Campaign during the fiscal year for 2008-2009.

The Annual Fund is intended to generate funds for the successful operation of the Shelter and the execution of its mission; it is our goal to raise \$115,000 this year.

As we do not receive state or federal funding, the Lynchburg Humane Society depends greatly on the financial support of the community in order to continue providing for homeless animals while promoting animal welfare throughout the community.

We hope you will consider a gift to the Annual Fund. With your financial support we can continue the life saving programs that better the lives of thousands of area animals.
